Live the *Grande* life

'Nero' was a famous Roman Emperor and well known for his extravagantly luxurious lifestyle and opulent living.

The Nero, by Sangam Lifespaces, draws inspiration from this popular emperor, standing tall and inviting attention and admiration. Built over a sprawling 1,00,000 sq.ft, it is conveniently located in the connective hub of Bandra East, rubbing shoulders as it were, with Mumbai's business hotspot – BKC (Bandra-Kurla Complex).

And with the Bandra-Worli Sea Link being a 5 minute drive away and the Domestic airport in the near vicinity, the Nero is conveniently placed for a quick access to every part of the city.
