SAI MIRACLE

Plot No. 16, 17, 19, Sector - 35E, Kharghar

24 years is a long time and we have emerged in our journey as a real estate developer, more than successful. Our core business values lie at the heart of our booming ventures - integrity, solidarity and innovativeness are what drives us towards a fulfilling future for mankind at large. We mainly concentrate in and around Navi Mumbai and are a known brand name all over Mumbai. Our specialisation is in futuristic and utilitarian structures. Our forte is neoclassical and art deco patterns. Living in that box-of-a-flat was never our idea of luxurious living. So we gave meaning to spatial living. Everything from the layout of the rooms to the geometrical pattern of the balcony has been well planned for and meticulously executed.
